Benevolence Application: Moving Toward Restoration!

Thank you for contacting us! We are so glad you did, and we look forward to coming alongside you in your journey toward restoration—financially, emotionally, and spiritually! The goal of our benevolence ministry is to glorify God as we serve the financial needs of individuals and families in order to share about Christ and bring people to complete restoration.

1 John 3:16–17 says, “[16] By this we know love, that he laid down his life for us, and we ought to lay down our lives for the brothers. [17] But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him?”

We see helping those in need as a way of showing God’s love. He has shown us great love by sending His Son, Jesus, to pay the penalty for our sin. We would love to talk to you more about that! In the meantime, please take a moment to fill out the following information and take a look at our steps of restoration at the end of this document.

The restoration continues!

Bethany Community would love to continue to come alongside you and encourage you. At any step above, we'd love to have you join us on a Sunday for our worship service.
